Detailed estimate for providing water supply and sanitary fittings to the Combined Hospital at Vaikkathupuram in Kozhikode

File No. of 195

General and Revenue Secretariat

Serial No 2524

16) Chief Engineer, is his detailed estimate in respect of the said two items only. The Proposal amounts to a modification of his original estimate as the Municipality has not to contribute anything towards the construction of the Hospital Building in accordance with the terms of the G.O. sanctioning his original estimate, this estimate now sent up for sanction has to be sanctioned in the Medical Department of Govt. only and the expenditure met out of Govt. funds and not Municipal funds. It is not clear why the Municipality has resolved to meet the expenditure. At para 3 of the note on file D No. 899/52 placed below, it is stated that this is not a budgeted work during the current year. In the letter dated 9.3.53 the Municipal Commissioner reports that the present contractor has been asked to proceed with the work and complete it anticipation of sanction. The work might have been completed by now. In the circumstances, source of meeting the expenditure by Govt. funds has to be found out and the modified estimate sanctioned as the expenditure is not to be met out of Municipal funds legitimately when the original estimate was sanctioned, the Govt. portion of cost was owed out of "34-Civil Works-Major in the Budget of the years 1951-52 for onspare

(Through the President)

Sir

Subject - Providing water connection to the Maternity Hospital at Vanivilasapuram

Adverting to Government Order No 11496-99/Med 33-49-174 dated 9-10-1950 sanctioning the estimate for Rs 7 300/- for the construction of the Combined Hospital at Vanivilasapuram, I write to state that the work is almost complete except for the sanitary water-supply and flooring work The flooring work has to be taken up after the first two works are completed The cost of the above two works namely water-supply and sanitary work having been estimated to be Rs 10 000/- as enclosed as against a lumpsum provision of Rs 3 600/- made in the original sanctioned estimate the Works Committee and the Council have approved of the same at their meetings held on 23-1-1953 and 7-2-1953 respectively They have also approved of the note of the Municipal Engineer to entrust the work to Sri Gundurao the present tendered contractor who is prepared to execute the work at the scheduled rates The estimate is accordingly prepared at scheduled rates and sent up for kind sanction The contractor has been asked to proceed with the work as the Donor Sri A Shanmarasetty is pressing for the early completion of the same and he has been expressing a desire to have it opened during his life time

The cost in this behalf will be met out of the provision under 'D1-Buildings-Original' made for incomplete works

I request that orders of Government to the estimate for Rs 10,000

may be kindly obtained and communicated

A copy of the estimate is also sent separately to the Chief Engineer for scrutiny and transmission direct to you in view of the urgency

Yours faithfully

(F M Abdul Rahim)
Municipal Commissioner

Forwarded with compliments,

(A Krishnamurthy Rao)
